Skill Training in ITIs

Posted On: 12 DEC 2022 3:33PM by PIB Delhi

The Directorate General of Training under Ministry of Skill Development and Entrepreneurship (MSDE) is implementing the Craftsmen Training Scheme (CTS) in ITIs across the country.

Establishment and administration of ITIs comes under the jurisdiction of State Government, while the policies such as setting the criterion for affiliation, conducting the examination along with certification and designing curriculum are the responsibilities of the Central Government.

Improving quality of training in ITIs is a continuous process. Towards this inter-alia, standards and norms of affiliation are reviewed, and curriculum and courses are revised as per industry practices. Further, the respective State Governments carry out periodical inspections and joint inspections in coordination with Union Government to measure the quality of training imparted in ITIs. In addition, the Union Government carries out periodical and timely gradings in all ITIs to maintain quality.

The establishment of Industrial Training Institutes (ITIs) is State/UT subject matter, and whenever a proposal is received from the State Directorate for the setting up of new ITIs, it is examined and decided as per the affiliation standards and norms and granted affiliation. The state wise details of new ITIs opened since 2016 are given in *Annexure – I*

The Cloud Computing/Coding job roles were included in the revised curriculum of CTS trades like Computer Operator and Programming Assistant (COPA), Computer Hardware and Network Maintenance (CHNM), Information Technology Support Executive (ITSE) Information and Communication Technology System Maintenance (ICTSM). Trade wise enrollment details are attached in *Annexure-II*.

DGT has also collaborated with various industry partners like IBM, Cisco, Microsoft to offer short-term online programs on emerging technologies like Artificial Intelligence, Machine Learning, Data Analytics, Cybersecurity, CCNA, through the Bharat Skills learning platform.

In addition, the Directorate General of Training in collaboration with IBM (under CSR) is also conducting a 2 Year Advance Diploma (Vocational) in IT, Networking and Cloud Computing (NSQF Level- 6) in National Skill Training Institutes (NSTIs) across the country for ITI students of all trades. In current session, a total of 336 students are undergoing training under this course.

Under Craftsman Training Scheme, at present, 14,953 Industrial Training Institutes (ITIs) are running in the country, with total capacity of 25,77,051 seats and 12,24,867 trainees have been admitted in 2021-22 session.
